

Creating a MyQuest® account

Creating a MyQuest account allows you to schedule appointments, pay your Quest Diagnostics® bill, and view your lab test results in MyQuest.

- 1 Go to MyQuest.QuestDiagnostics.com and click *Create Account*.

- 2 Type a *Username* and *Password*, reenter your password, and then click *Next*.

Username must be at least 8 characters long and is not case sensitive. Passwords must be at least 16 characters long and contain at least one alphabetic and one numeric or special character. Passwords are case sensitive and cannot be the same as the Username.

- Access your email and open the email from Services@QuestDiagnostics.com. If you don't see it, it might be in your spam folder.
- Click the *Account Confirmation page* link to verify your email address.
- Go to MyQuest.QuestDiagnostics.com and *SIGN IN*.
- When prompted, click *Verify Identity* to start identity verification so that you can view test results when available.

- Follow the onscreen instructions. For more information, see the [Verify your identity quick reference guide](#).
- When the *Identity Verification Successful!* message appears, click *Return to MyQuest*. Congratulations! You have successfully created a MyQuest account and verified your identity.
